Annual Meeting was a Huge Success

We had a great turn out this year. Thank you to all of our members who stayed after to help clean up.

Remember: if you are not a member (if you don't have your own Share account) you cannot attend. All eligible union members, and family will have an opportunity to join before the annual meeting. Or they can always join now!

See you next year!

Payable on Death (POD)

Having a Payable on Death is an important thing to have on your account. If something were to happen to you and you don't have a joint account holder or some one as payable on death your money will be turned over to the state. It is up to you to have a POD on your account and to update your account of any changes. You can always call us or stop by and make sure your account has the correct POD. And you can change your POD whenever you feel necessary.
